ProOne™ Flushing System

cranepumbing.com

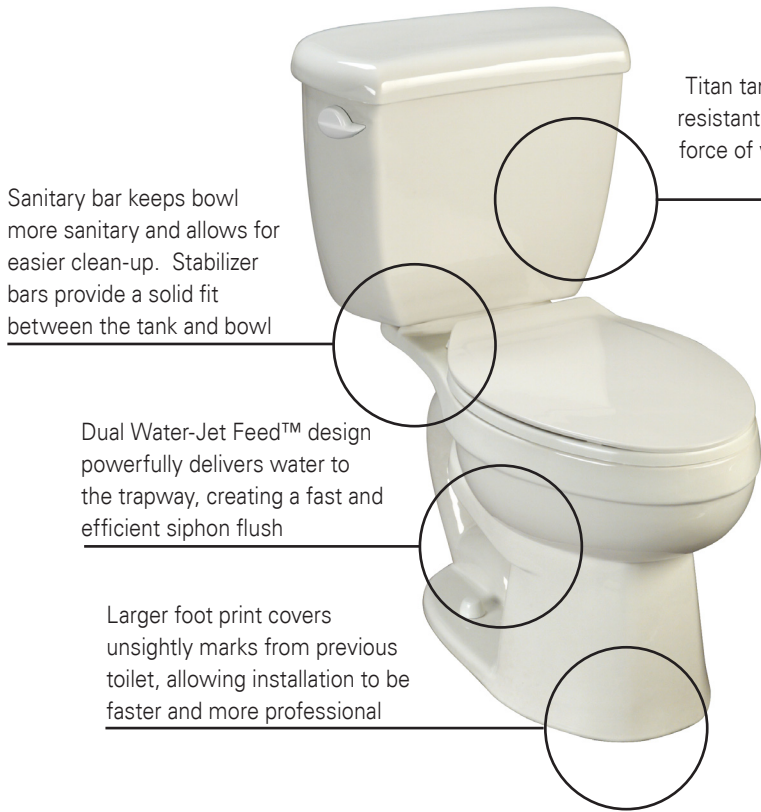

High-Performance Toilet

- 3" Chlorine Resistant Flapper
- 1,000 Gram MaP* Score
- 2-1/8" Fully Glazed Trap

**CRANE
PLUMBING**
The Clear Choice

Titan™ PRO High-Performance Toilet

Sanitary bar keeps bowl more sanitary and allows for easier clean-up. Stabilizer bars provide a solid fit between the tank and bowl

Titan tank includes a 3" chlorine resistant flapper, maximizing the force of water entering the bowl and trapway

Dual Water-Jet Feed™ design powerfully delivers water to the trapway, creating a fast and efficient siphon flush

Larger foot print covers unsightly marks from previous toilet, allowing installation to be faster and more professional

**Maximum MaP*
Score at
1,000 Grams!**

Titan™ PRO Triangle

Titan™ PRO One-Piece
